Pastor's Corner

“Joy”

Joy is quite possibly the deepest, most common motivator of all people in all times. We go to great lengths for joy, for happiness. When you discover something really good, you can't help but respond. It's like it draws something out of you. That moment of discovery that spontaneous split-second flutter of delight in something truly good - that's joy.

We so often miss our chance at joy because of one thing: fear.

The Christmas story is a story about something truly good, and what happens when we take God at His word, amidst our fears: we discover joy, and that joy draws forth praise.

Luke 2:10

Belle York went to be with the Lord this past week. Services will be held at Living Faith Fellowship on January 20, 2018 at 10:00 AM.
